Th 7:30 – 11:00 am	<p>F1 Build Great Wetlands and They Will Come [New] </p> <p><i>7:30 - 11:00 am, Meet at OIT Dow Center entrance</i></p> <p>Hunters and conservation can go hand and hand. Come and see a Wetland Restoration Project that insures owner enjoyment and a place for birds and wildlife that will exist in perpetuity. This wetland was put in by the U.S. government and has been managed, since it's inception, by the landowner. Landowner Jerry Massini and USFWS biologist Jason Cox will provide a tour of the wetland and explain its impact and benefits to our environment.</p> <p>Fee: \$20</p>
Th 7:30 am – 2:00 pm	<p>F2 Eagles, Eagles, Eagles for Birders 1! </p> <p><i>7:30 am - 2:00 pm, Meet at OIT Dow Center entrance</i></p> <p>Join our only field trip devoted to watching just eagles in the field. If you want to take photos, this is not the trip for you. Leader John Vradenburg will take you to where the eagles are feeding and roosting based on local knowledge and reports. We'll see how many we can find in one day. A short indoor presentation will cover life history strategies, foraging resources, and how Basin habitats on refuges are managed for the wintering period. Includes lunch.</p> <p>Fee: \$50</p>
Th 8:00 - 11:00 am	<p>F3 Running Y Feeder Hop 1 </p> <p><i>8:00 – 11:00 am, Meet at the Lodge at Running Y Ranch Resort lobby (carpool field trip)</i></p> <p>Join Darrel Samuels to look for the Running Y's winter bird visitors, including White-headed Woodpeckers that are known to frequent local feeders. You'll visit several feeder locations.</p> <p>Fee: \$15</p>
Th 9:00 am – 1:30 pm	<p>F4 Lava Beds National Monument Valentine Cave Tour [New]</p> <p><i>9:00 am - 1:30 pm, Meet at OIT Dow Center entrance</i></p> <p>Lava Beds is home to more than 700 lava tube caves, and historic camps and battlefields from the Modoc War of 1872-1873. Tour this dramatic desert landscape and its underground world with an interpretive ranger while exploring the monument visitor center, and visiting Valentine Cave, where you will discover the secret behind its spectacular silver and gold ceiling. This tour is recommended for ages 10 and up, children 16 and under must be accompanied by an adult. Includes lunch.</p> <p>Fee: \$35</p>

Th
1:00 – 4:00 pm

F5 Behind the Scenes: Potato Fields to Wetlands [New] 

1:00 - 4:00 pm, Meet at OIT Dow Center entrance

Lexi Crawford of Walker Brothers Farms welcomes visitors onto their private 4,000 acre farm for a behind the scenes tour. You'll learn about the benefits of organic farming and how a commercial operation can be stewards of the land. **BJ Matzen** will be your local birding guide to the fabulous array of birds that flock to their wetland. Last February hundreds of tundra swans stopped on this property. The trip may also include a stop to another farm if time permits.
Fee: \$20

2:00 – 3:15 pm

M1 Tips and Tricks For Better Photos [New] 

2:00 - 3:15 pm, OIT Mt. Thielsen room

Anyone can learn to take better photographs using **Jonne Goeller's** favorite techniques. This session is geared for beginning to intermediate level photographers. However, even more advanced level photographers will enjoy the program featuring images from the Great Basin and mountains surrounding Klamath Falls. Jonne will guide you through a series of steps and techniques that build upon each other. Some involve composition/visualization and the rest involve a little "techy" stuff about how to make camera settings work for you. She will also discuss location-scouting techniques.

F6 Klamath Marsh Owl Prowl 1 

2:30 pm Thursday - Noon Friday, Meet at OIT Dow Center entrance

Be one of the lucky seven to experience this unique birding adventure -- an overnight owling trip led by **Kevin Spencer, Harry Fuller,** and **USFWS** staff to the Klamath Marsh National Wildlife Refuge with special guest James Currie. Be prepared to be included in footage for his nationally known Birding Adventures TV Show! The target species will be the Great Gray Owl, but no promises, of course. You'll overnight in a comfy refuge bunkhouse that has several 2-3 person rooms. We'll provide the guides, transportation, dinner, beverages, and breakfast.
Fee: \$150

4:30 – 5:30 pm

M2 Lost Bird Film [New] 

4:30 - 5:30 pm, OIT Dow Center Auditorium

Gone and nearly forgotten in extinction, the Labrador Duck, the Great Auk, the Heath Hen, the Carolina Parakeet, and the Passenger Pigeon leave holes not just in the North American landscape but also in our collective memories. Moved by their stories, sculptor Todd McGrain set out to create memorials to the lost birds—to bring their vanished forms back into the world. This film follows the road-trip that McGrain and his brother-in-law, Andy Stern, take as they search for the locations where the birds were last seen in the wild and negotiate for permission to install McGrain's large bronze sculptures there.

7:30 am – 2:00 pm

F8 Eagles, Eagles, Eagles for Photographers!  

7:30 am - 2:00 pm, Meet at OIT Dow Center entrance

Join our only field trip devoted to photographing eagles. Local photographer **Jordan Jones** will take you to his favorite spots to photograph and appreciate Bald Eagles. While we will be "focusing" on eagles, we can also stop for other photogenic raptors that come our way. Includes lunch.
Fee: \$50

<p>Fr 8:00 – 11:00 am</p>	<p>F9 Raptor Photo Shoot 1 [New] </p> <p><i>8:00 - 11:00 am, Meet at the Running Y Ranch Resort lobby (carpool to shoot site at Running Y)</i> Calling all photographers! This informal, two hour outdoor raptor photo shoot offers an incredible opportunity to get "lens to beak" with up to 11 different birds of prey for free-flight and portrait photography. Master Falconers Kate Marden and Jana Barkley from the West Coast Falconry Center will handle the birds. You call the shots, provide the camera, and your talents. Just make sure your batteries and cameras are charged, and you have extra memory cards! Fee: \$90</p>
<p>Fr 8:00 – 11:00 am</p>	<p>F10 Running Y Feeder Hop 2 </p> <p><i>8:00 - 11:00 am, Meet at the Running Y Ranch Resort lobby (carpool field trip)</i> Join Darrel Samuels to look for the Running Y's winter bird visitors, including White-headed Woodpeckers that are known to frequent local feeders. You'll visit several feeder locations. Fee: \$15</p>
<p>Fr 9:00 am – Noon</p>	<p>F11 Birding Basics 1 </p> <p><i>9:00 am – Noon, OIT Sunset room (carpool field trip)</i> If you enjoy seeing birds in your backyard and want to learn how to identify them, or if you've been looking for a new nature-oriented hobby, this is the class for you. Karl Wenner will begin with a presentation that introduces the major groups of birds and explains how to use field marks to identify common birds of the Klamath Basin. Then you'll carpool to nearby hotspots to put your new skills to work. A fun and informative session for the novice birder. Fee: \$15</p>
<p>Fr 9:00 am – 1:00 pm</p>	<p>F12 Discover the History of the Klamath Reclamation Project and How It Affects Water Delivery Today</p> <p><i>9:00 am - 1:00 pm, OIT Mt. McLoughlin room (carpool field trip)</i> Wildlife in the Klamath Basin has been significantly affected by human activities, especially since the arrival of European-Americans in the 1800s. Todd Kepple will provide an overview of how people have altered the environment of the Klamath Basin, and what efforts have been made over the past century to mitigate the impacts. Then the group will carpool to several key locations in the Project, including diversion dams, irrigation facilities, and restoration projects. Lunch not included. Fee: \$20</p>
<p>Fr 9:30 am – 3:30 pm</p>	<p>F13 Laid Back Birding </p> <p><i>9:30 am - 3:30 pm, Meet at OIT Dow Center entrance</i> Not ready to leave at the crack of dawn? Bird with Marshal Moser from a bus that leisurely loops through the Basin. You'll have an opportunity to stop along the way and view the famous Bald Eagles of the Basin, winter waterfowl, and numerous raptors. Birders of all skill levels are welcome to learn about Basin birds and their habitats. Includes lunch. Fee: \$50</p>
<p>Fr 10:00 am – Noon</p>	<p>W1 Lightroom - Advanced Develop Techniques [New] </p> <p><i>10:00 am – Noon, OIT Mt. Thielsen room</i> If you know the basics, or have taken The Basics class, this is for you. The Develop Module in Lightroom is a very powerful tool. Jim Stamates will lead you through all the advanced features of the Develop module to make your images the best they can be. Advanced features like Detail Masking, HSL, Target Adjustments, Tone Curve and more will be explored. Jim will share his FunFlow and lots of tips and tricks to make your processing fun, quick, and easy. Advanced techniques in other modules will be explored if time allows. Bring your Mac or PC laptop with either Lightroom 6 or CC installed. Fee: \$45</p>

<p>Fr 1:30 – 4:30 pm</p>	<p>W2 Fine-Art Digital Printing [New]  <i>1:30 - 4:30 pm, OIT Mt. Thielsen room</i> Learn from digital pioneer Stephen Johnson how he obtains his impressive results in fine-art digital printing. He will concentrate on inkjet printing with color pigments and black/gray ink combinations on coated and rag papers. Mr. Johnson will cover workflow issues, color management, correcting color casts, adjustment layers, custom profile generation, editing, inspection, and a variety of other topics. He will also explore print aesthetics in the digital age – what makes for a beautiful print? Learn about problems and advantages of papers, as well as their visual qualities. Fee: \$45</p>
<p>Fr 1:45 – 2:45 pm</p>	<p>M3 Room and Board is for the Birds  <i>1:45 - 2:45 pm, OIT Mt. Bailey Room</i> Providing food, water, and shelter to birds near our homes can allow us to enjoy many species at close range. Darrel Samuels will lead a discussion on foods and feeders geared to specific birds such as nuthatches, chickadees, finches, woodpeckers, and others. Tom Essex will share how to recognize the right nest box for each species and will provide examples of nest boxes. FREE but registration required</p>
<p>Fr 2:00 – 4:00 pm</p>	<p>W3 Getting Great Bird Shots and Knowing What You Shot   <i>2:00 - 4:00 pm, OIT Sunset Room</i> This workshop is designed for photographers with a desire to capture great images of birds. We will discuss how to locate birds, how to approach them, and how to identify them once we have an image. Gerry Hill will introduce you to a variety of resources bird photographers use to get great shots of birds. This will include photo equipment, attracting birds with food, water, and calls, and the use of photo blinds. He will also review a number of bird identification resources, including books, apps for phones and tablets, and eBird. Fee: \$25</p>
<p>Fr 2:00 – 5:00 pm</p>	<p>W4 Intermediate/Advanced Raptor ID  <i>2:00 - 5:00 pm, Meet at Olympic Inn Conference Room</i> This always-popular workshop returns for 2016! Dick Ashford will provide a straightforward introduction to the identification of our local hawks, eagles, and falcons. The classroom presentation will help you sharpen your raptor ID skills. These skills will be put to the test on either the companion Saturday trip, OR the companion Sunday trip (please choose one). Recommended for intermediate or advanced birders. Fee: \$50 includes W4 and the Saturday F21 or Sunday F28 field trip and lunch.</p>
<p>Fr 2:30 – 4:00 pm</p>	<p>W5 The Rapture of Raptors: A Beginner's Guide to Raptor ID [New]  <i>2:30 - 4:00 pm, OIT Mt. McLoughlin Room</i> Join raptor specialist Pamela Llewellyn for a workshop while she guides you through basic identification and natural history of the birds of prey seen in Klamath Falls and the surrounding area. This workshop will provide a straightforward introduction to the identification of our local hawks, eagles, and falcons. The classroom presentation will help you sharpen your raptor ID skills. These skills will be put to the test on the companion F19 Saturday field trip. Recommended for beginning birders. Fee: \$55</p>
<p>Fr 3:00 – 4:00 pm</p>	<p>M4 Pacific Flyway Sandhill Cranes [New]  <i>3:00 - 4:00 pm, OIT Auditorium</i> Gary Ivey with the International Crane Foundation will update you on the sandhill crane populations that breed and stage in the Klamath Basin and the Pacific Flyway. You will learn about their history, biology, migration routes, and wintering and breeding areas of the three subspecies that use the Flyway. FREE but registration required</p>
